Solid Brass was formed in 1982 by Arlene Weber as a way to provide a musical outlet for adult, non-professional brass players. Many professional brass musicians in our community have conducted Solid Brass over the years, including Oregon Symphony brass players Fred Sautter, Sally Kuhns, Richard Thornberg, Warren Baker, and John Richards, as well as Dan Cole-McCullough, Rob Murray, Ric Faunt, David Woods, Michael Landers, Arlene Weber, and James Cameron.

Visit our website to see more information about the group and to sign up on our mailing list to be notified of upcoming events:
